**Do you enjoy being outdoors & exploring Nature? What would you do if you unexpectedly had to stay in a Wild area longer than you anticipated? Join us in the scenic Apache Highlands as we teach you the art & science of Wilderness Survival. You will learn to deal with a wide variety of scenarios in Nature that may one day save your life &/or the lives of others. During this hands-on class you will learn a wide variety of skills:**

**-SHELTERS   -WILD EDIBLE & MEDICINAL PLANTS   -FIRE-MAKING**

**-HUNTING & TRAPPING   -SIGNALING   -WATER-FINDING   -NAVIGATION  
& MORE!**

**Instructor Vincent Pinto brings over 20 years of teaching & first-hand experience in the field to this unforgettable class. Vince has been teaching about Survival Skills, Stone-age Skills, & Nature since 1987. He has a B.S. in Wildlife Biology & an M.S. in Environmental Studies. He runs RAVENS-WAY WILD JOURNEYS, an Outdoor Environmental School, based in southeast Arizona.**
