

Double Circle Longhorns LLC

WESTERN ARTISTS WORKSHOP

Come hone your artistic skills at the historic Double Circle Ranch. Jerry DeVerse, award winning western artist, is coming to the ranch! He will be teaching a small group of no more than 8 students and will work with all levels of expertise in the medium of your choice. Jerry will lead two photography sessions daily and set up for critique of your art and instruction in the afternoons and evenings.

Both amateurs and professionals will have the rare opportunity to paint the Old West as it still is on the Double Circle Ranch. Texas Longhorn steers and working cowboys in wide open Arizona scenery are the models—and you can't get more "western" than that.

Class is August 12 to August 15, 2010 and has the special introductory price of \$650.00 which includes wall tent lodging, 3 meals daily, all instruction, and an opportunity to paint some of the best western landscapes in the country. Book early-this class should fill quickly!
